

Town Pediatrics Patient Portal Forms

In our efforts to spend more time with you during your visit, we encourage you to log into Portal and complete the appropriate visit forms prior to your visit. If you are unable to do so, please arrive 10 minutes early for sick visits and 20 minutes early for well visits to fill out the electronic forms here.

1. All NEW patients, including newborns

- “New Patient Intake” form plus additional forms as applicable below

2. All sick visits

- “Pre-visit Updates” form only

3. Sports Physicals – This is for children who need a sports physical but have had a regular WCC within the last 12 months. If the child has NOT had a WCC within the last 12 months, they will need to complete the age-appropriate WCC forms below
